Tom and Rosemary, senior staff meeting was cancelled this morning and Mary is unavailable. Blake is doing Mary's meeting with the AAs this afternoon at 2pm. Last week for this call Mary only gave an assumption update, so Blake needs the current status from Mary's perspective. Aaryn told me last week she said something about traveling to sign the MOA. Is the Paragraph from the notes the most up to date? Is there anything else Blake should say? Aaryn needs this by 1 today. You can still call me at noon if you need to.

**FL 404 Assumption** - R4 staff are working in coordination with OWOW and OGC to address David Ross' edits to the draft FDEP-EPA MOA and intend to provide a revised final draft to senior leadership by Mon, July 22. FDEP shared that they intend to submit the BA by Mon, July 22, and submit the assumption request a few days later.

The

Office of the Federal Register has sent out notification that they are delayed in review and publication of FRNs due to a growing backlog. Rationale for requesting an

expedited OFR review can be based on meeting a statutory review date.  
Requests should be submitted electronically for fastest and most efficient processing.
